

Hi Members,

Several important announcements:

The voting for our branch's slate of officers is complete and the required quorum was met. Congratulations to the following:

Co-Vice Presidents, Membership: Sue Raymond and Debbie White

Financial Officer: Lois Domsch

Corresponding Secretary: Nancy Comtois

To date, the 80th anniversary fundraising letter resulted in contributions totaling **\$731.40**.

How fortuitous was it to launch that project this year? These funds will supplement our book sale revenue and the lack of funds we usually earn at Pizza Ranch. Obviously, we can't have an 81st anniversary fundraising letter, so in your spare time, think about ideas for fundraising next year.

May 2020 remains a mystery. Will we be able to have our final meeting of the year? At this point, who knows. Either way, we'll keep you posted. (See below...)

Finally, keep your eyes open for membership dues invoices that will be sent out soon. Paying online sounds like the simplest way to go there.

Stay calm, stay safe, stay home!

Jolene Cerveney

Dear Members,

Seems as though the status of the May meeting has been made clear. Mayor Weir has extended the Stay at Home order to at least May 15th. Hence, our annual meeting scheduled for May 9th at the Drumm Farm Center is canceled.

I hope everyone is well and staying safe. Stay strong and remember, WE CAN DO THIS.

Jolene
